A Message From Our Bishop

My dear friends in Christ:

I am pleased to present to you this annual report of The Foundation of the Roman Catholic Diocese of Albany, now beginning its 23rd year of service to provide long lasting financial resources that will nurture and grow the ministries and parishes of our Diocesan Church far into the future.

I wish to thank those generous donors who in the last year established planned gifts to benefit particular diocesan ministries. I also wish to thank those parishes which established new investment accounts with The Foundation to enhance their fiscal well-being. I am most grateful to all who invest with The Foundation which today holds over sixty accounts with over forty million dollars under management. In 2017, over 1.5 million dollars was distributed in support of ministries, parishes, schools and programs throughout the Diocese of Albany.

In this report you will read the stories of how two Foundation endowment accounts came into existence, each different in purpose yet sharing profound commitment and dedication to a cause and to preserving the faith for future generations. These two stories are splendid examples of why The Foundation was founded and how individuals with a sense of vision, looking beyond their own time, can truly make a difference in the lives of others.

I am most grateful to God for all whose generosity, leadership and foresight enable The Foundation of the Roman Catholic Diocese of Albany to serve the greater needs of the Church in service to others. I commend The Foundation and all the good works it provides to the protection of our most Blessed Mother Mary, Queen of Peace and Patroness of our diocese.

Sincerely yours in Christ,

+Edward B. Scharfenberger

Edward B. Scharfenberger D.D.
Bishop of Albany

A Legacy of Faith That Continues to Grow

“Planting seeds for larger growth”, thus with these visionary words Bishop John McCloskey was installed upon the Cathedra of the new Diocese of Albany. From those first seeds planted some 169 years ago, generation upon generation added their chapters to the history of our Diocese building up the Kingdom of God in our local communities and passing on a great legacy of faith for us to uphold and care for.

Following the example of past generations we, by our baptism, are called to be the Lord’s disciples in our own time to carry out the mission of the Church to teach, to heal, to comfort and to sanctify.

In the 1990’s The United States Council of Catholic Bishops wrote of the growing changes in society and the ensuing conflicts and impacts on the mission of the Church. In their pastoral letter, “Stewardship, a Disciple’s Response”, they observed;

“Although religious faith is a strong force in the lives of many Americans, our country’s dominant secular culture often contradicts the values of the Judeo-Christian tradition.....While many Catholics are generous in giving of themselves and their resources to the Church, others do not respond to the needs in proportion to what they possess. The result is a lack of resources which seriously hampers the Church’s ability to carry out its mission and obstructs people’s growth as disciples”.

In 1995 The Foundation of the Roman Catholic Diocese of Albany, New York, Inc. was established as a private, not-for-profit corporation by Bishop Howard Hubbard, to advance the mission of the entire Church of Albany and to ensure the long term strategic financial stability of the religious, charitable and educational institutions, programs and services of the Roman Catholic Diocese of Albany.

The Foundation today is planting seeds that will nourish and sustain our Church for generations to come.

The Foundation Fulfills its Purpose by:

- Seeking endowment, quasi-endowment and current funds that foster and support the programs, services, aims and goals of the Roman Catholic Diocese of Albany.
- Assisting parishes, schools, service organizations and other Catholic entities in meeting their ongoing and long term financial needs.
- Assisting donors in achieving their charitable and financial goals.
- Providing responsible and effective financial management of Foundation investments.
- Distributing net earnings and income according to the wishes of participating entities, donors and the distribution policy of The Foundation.

The Foundation currently provides management to 78 endowment and quasi endowment accounts. Individual Catholic entities and diocesan programs established several of the funds and make regular additions to their accounts.

Individual donors have established endowment accounts to benefit specific diocesan schools, parishes, programs or agencies. A percentage of the income that is earned from certain funds is distributed annually to programs that have chosen to participate and those that are endowed by donors. The principal within each account remains whole, and yearly income may be reinvested to increase the market value of the account.

By supporting The Foundation, donors are guaranteed that their gift will be held forever in trust. Donors may name a fund in memory of a loved one and specify a charitable purpose for the fund.

Please remember the religious, charitable and educational institutions, ministries, programs and services of the Roman Catholic Diocese of Albany in your will and estate plan.

Mrs. Marion Janowska Jaffarian

St. Michael the Archangel Church, Cohoes, N.Y.

Each of the 126 parishes in the Diocese of Albany has a rich history handed down from one generation to the next. Many parishes were established to serve the burgeoning numbers of immigrants who settled in the cities and towns of the region to work in its numerous factories, foundries and mills.

One such parish with a very rich history is St. Michael the Archangel Parish in Cohoes, New York, founded in 1904 by Bishop Thomas Burke and Father Valentin Gierlacki, to serve the growing Polish population. Over the years the parish grew in size and number. Generation upon generation celebrated their Polish heritage and deep Catholic Faith. While the factories are gone and the mills are now mostly urban housing, over 100 families continue to call St. Michael’s their spiritual home.

Mrs. Marion Janowska Jaffarian has called St. Michael the Archangel Church her parish since the day she was baptized there eighty-two years ago. Her mother’s family name adorns one of the stained glass windows. There she made her first communion and received her confirmation from Bishop Gibbons. She was married at St. Michael’s in 1965 to Paul “Sonny” Jaffarian, her beloved and devoted husband of 49 happy years. Sonny, who was a successful businessman and entrepreneur, passed away in 2014 and rests in St. Michael’s Cemetery.

Throughout her life Mrs. Jaffarian has been a devoted and active parishioner of St. Michael’s, volunteering her time and resources to keep her parish home a vibrant faith community and a unique gem among Churches in the diocese. In 2004, she authored the official history on the centennial of the parish’s founding.

In 2015 Mrs. Jaffarian decided that she wanted to do something meaningful for her parish, and at the same time, memorialize her husband and the wonderful union they shared. She learned that such an opportunity existed, through The Foundation of the Roman Catholic Diocese of Albany, by establishing an endowment fund which would provide an annual distribution of funds to a beneficiary of her choosing.

Mrs. Jaffarian established The Paul and Marion Janowska Jaffarian Endowment Fund to assist her pastor, Father Peter Tocz, (himself born in Poland) and his successors in perpetuity with the general operating expenses of the parish.

Mrs Jaffarian hopes and prays that others in the parish will be inspired to leave a legacy to benefit St. Michael’s, following the examples of past generations, passing the richness of faith and heritage onto the next.

Mrs. Marion Jaffarian and her Pastor Fr. Peter Tkocz
St. Michael's Church, Cohoes N.Y.

PFC PAT AIEZZA Memorial Scholarship Fund

Each year at Bishop Maginn High School in Albany a ninth grade student showing academic excellence and high moral character, demonstrating financial hardship is selected to become a PFC Pat Aiezza Memorial Scholar, receiving financial assistance toward tuition for all four years of the student’s tenure at the school.

In 2010 Mr. Andrew Aiezza, himself a veteran of WWII, his wife Frances and other members of the Pat Aiezza Post 1181 Catholic War Veterans in Albany, decided to establish a scholarship fund to provide tuition assistance to deserving students at a Catholic High School. It was decided to open an endowment fund with the Foundation of the Roman Catholic Diocese of Albany in tribute to Andrew’s late brother, Private First Class Pat Aiezza, who was killed in action during World War II.

PFC Aiezza, a recipient of two purple hearts and the Distinguished Service Cross, was a true American hero, who died fighting for his country in the defense of freedom. The citation issued by the War Department in 1945 awarding the DSC posthumously, reads as follows”

“For extraordinary heroism in connection with military operations against an armed enemy in Germany. On 10 April 1945, when Private Aiezza’s squad leader was wounded and evacuated, he assumed command and led the men in an attack near Erfurt, Germany. When the squad was pinned down by withering enemy machine gun fire from the left flank, he courageously crawled to within fifty yards of the hostile weapons and then charged the position firing his rifle as he ran. Before he reached the enemy position he was seriously wounded but continued firing until he had killed two members of the hostile crew and wounded the remainder. Although Private Aiezza died of his wounds two days later, his gallant self-sacrifice and supreme devotion to duty live on as an inspiration to the men with whom he fought.”

All scholarship recipients have gone or are going on to college.

Today, there are less than 600,000 veterans of WWII still alive in the United States. Though the old WW II vets from the PFC Pat Aiezza Post are passing on, their memory and the memory of the brave 19 year old GI who gave his life in protection of his brother soldiers and in service to his country lives on in the hearts and minds of the young scholars who proudly bear his name.

Andrew and Frances Aiezza

Deacon Joe Chernicki
St. Adalbert's Schenectady

How To Establish An Endowment

Making the Decision

Establishing an endowment with The Foundation of the Roman Catholic Diocese of Albany is a significant act of charity. We make the process of establishing a fund as simple as possible.

There are a few basic decisions you need to make:

- How much do you wish to contribute to open your fund?
(Endowment funds may be opened with a minimum contribution of \$10,000)
- How do you wish to make your contribution? Will you use cash, appreciated stock, real estate or some other asset?
- Do you want the fund to be in your name, that of a relative or loved one, in memory of someone special in your life, or some combination of these?
- What parish, program, ministry or school do you want to benefit from your fund?

Once you have made these decisions, let us know. We will sit down with you and discuss your choices. Based on our discussion, we will draw up a simple, two-page endowment agreement that details your charitable intentions.

Adding to an Existing Fund

The Foundation may already hold an endowment fund that benefits your parish, school or favorite Catholic charity. If that is the case, you might wish to add to that fund rather than open one of your own. You decide how much you would like to contribute, if you want to do it now or at your death, and if you wish to use cash or other appreciated assets to make your gift. Notify us of your decisions, and we will take care of the rest.

Establishing an Endowment Through Your Estate

Planning a gift through your estate qualifies you for automatic membership in the John Cardinal McCloskey Society.

Methods Of Giving

Depending on your needs, you may choose a giving method that can offer significant tax advantages, reduce future estate taxes, and/or provide a steady income for you and your loved ones. The Foundation of the Roman Catholic Diocese of Albany accepts both outright and deferred gifts from individuals.

Outright Gifts:

Gifts of cash, securities or real property.

Deferred Gifts:

Bequests

Gifts to The Foundation may be made through a will or through a revocable trust agreement.

Charitable Gift Annuity

Annuitants may designate The Foundation of the Roman Catholic Diocese of Albany as the annuity remainderman.

Irrevocable Charitable Trusts

Remainder trusts provide a regular income stream to the donor. Upon the termination of the trust, The Foundation receives the remainder.

Insurance

Donors may make a gift to The Foundation of the Roman Catholic Diocese of Albany by naming The Foundation as the beneficiary within a life insurance policy.

Retained Life Estate

Donors may transfer their residence, farm or vacation home to The Foundation of the Roman Catholic Diocese of Albany subject to a life estate. The donor may continue to live in the property for life or a specified term of years while continuing to be responsible for all taxes and upkeep. The property then passes to The Foundation when the life estate ends.

Frequently asked questons about The Foundation of the Roman Catholic Diocese of Albany, New York, Inc. (The Foundation)

1. What is The Foundation?

The Foundation is a separate tax exempt non-profit organization established in 1995 to provide endowments for the Roman Catholic Diocese of Albany and its parishes, schools, agencies and other related entities.

2. What is the purpose of The Foundation?

The Foundation was established to provide a means for individuals and organizations to provide long term financial stability for the diocese and its related entities. Through the creation of endowments, The Foundation provides a means to generate income to help sustain the long term strength and viability of these entities.

3. What types of funds can be established with The Foundation?

Endowment funds, Current Future Distribution funds and Current Future Reinvestment funds.

4. What is an endowment?

An endowment is a permanent fund, the principal of which is never touched but the income from which can be used in accordance with the wishes of the donor. The principal includes the initial contribution as well as any additional contributions from later gifts. An endowment fund is not a capital fund or reserve fund, each of which would generally allow for distributions of principal.

5. Why would an individual or entity want to create an endowment fund?

By creating an endowment, an individual can provide additional stewardship from accumulated assets with the possibility of a charitable deduction for income tax purposes. By creating an endowment, a Catholic entity such as a parish or school can announce to the community that it is providing for the future and intends to continue serving the community for many years to come.

6. What is the difference between a current futures distribution fund and a current futures reinvestment fund?

Any diocesan entity can establish a Foundation account with a minimum investment of \$10,000. At the time that the fund is established, the agency must designate the type of account it wishes to establish:

Reinvest:	The interest earned is added to the principal each year
Distribute:	The agency elects to receive a distribution each year from the interest earned on the principal, not to exceed 5.5% of the principal

7. What are The Foundation’s accomplishments?

Currently The Foundation has 68 separate funds under management with a value of over \$38,000,000.00. Since 1999, The Foundation has made in excess of \$9.5 million available for distribution to its beneficiaries. Over the past ten years The Foundation has earned an average of 6.7%.

8. Who manages The Foundation?

The Foundation is managed by a Board of Trustees consisting of the Bishop of Albany, clergy and lay people. An advisory committee of leaders in the community provides input and recommendations to the Board of Trustees.

9. What are the investment goals of The Foundation?

To preserve capital following prudent investment standards; to continue growth in principal with a sufficient return on investment that will generate income and to provide sufficient diversification to minimize exposure to loss.

10. Is there a policy or guideline for responsible investment?

The Foundation of the Roman Catholic Diocese of Albany complies with the United States Conference of Catholic Bishops’ guidelines informing socially responsible investing. 65% of all assets under management are invested in domestic and international equities and 35% are invested in fixed income securities.

11. What is the distribution policy?

Each year an investment advisory council is convened to determine the performance benchmarks each account within The Foundation should meet to qualify for a distribution of funds.

12. Once created, can we add to the endowment?

Yes. In fact most individuals and entities develop a plan to build the endowment.

13. Can I withdraw funds from my account or close my account?

The Foundation of the Roman Catholic Diocese of Albany is a long term growth vehicle and, as such, account holders are asked not to withdraw principal for a period of five years. After such time, withdrawals may be made from principal and an account can be closed. Additional deposits may be made at any time. An endowment fund is an irrevocable agreement between the donor and The Foundation and cannot be terminated. Funds may not be withdrawn from an endowment.

14. Does The Foundation charge a fee for managing endowments?

Yes. The Foundation’s fee for management and administration of the endowment is currently 0.5% per annum.

The Foundation of the Roman Catholic Diocese of Albany

Statement of Financial Position as of June 30, 2017

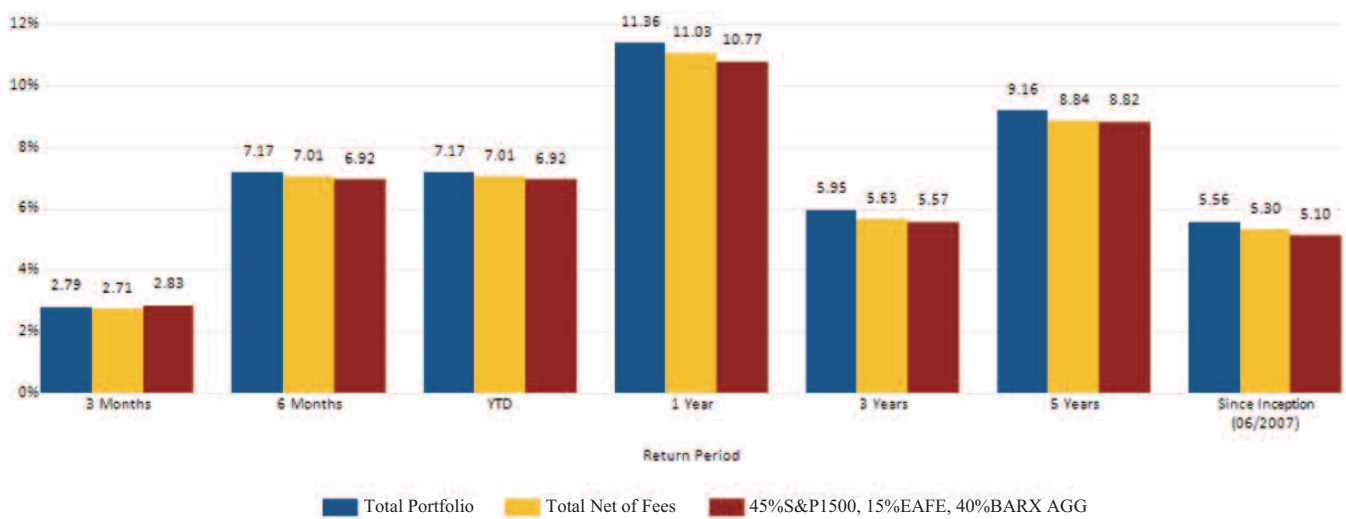

As of June 30, 2017, the Foundation of the Roman Catholic Diocese of Albany held total invested assets of \$41,293,177 allocated 60% to equities, 37.5% to fixed income securities, and 2.5% to cash. The investments are overseen by the Foundation’s all-volunteer Board of Trustees and Investment Committee, monitored by the Diocese’s Chief Financial Officer, and professionally managed by U.S. Trust and Christian Brothers.

The Foundation’s portfolio is broadly diversified, and measured on an ongoing basis against a blended performance benchmark consisting of the S&P 1500 index for domestic equities (45%), the MSCI Europe, Australasia and Far East index for equity markets outside the United States and Canada (15%), and the Barclays Capital U.S. Aggregate Bond Index for domestic fixed income securities (40%). Combined, these indices reflect the performance of thousands of equity and fixed income securities around the globe.

To the greatest extent possible, the Foundation portfolio is managed in a manner consistent with the religious, social and moral values of the Roman Catholic Diocese of Albany, as well as, the investment guidelines of the United States Conference of Catholic Bishops, which is called to exercise faithful, competent and socially responsible stewardship in the management of financial resources. As a Catholic organization, the Conference draws the values, directions and criteria which guide its financial choices from the Gospel, universal church teaching and Conference statements.

The Foundation’s core investment strategy, called Religious Voice and Values, seeks to review the performance of corporations across a spectrum of religious principles and more traditional fundamental factors, isolating those measures which represent management practices most consistent with Catholic principles and teachings. The overall objective is to construct a portfolio that reflects the performance of global investment markets, but includes only those securities that represent best-in-class practices with respect to charity, social justice, equality and family planning.

Investment Performance Trailing Returns As of June 30, 2017

Past Performance is no guarantee of future results.
All returns are gross of fees unless otherwise noted. For periods longer than one year, the return is annualized. Periods less than one year utilize a cumulative return. Returns may include a partial month.
Benchmark performance returns for the Since Inception period are based on the inception date of the sector or the account under which they are displayed.
Market value does not include accrued income, but is included in the return calculation.

We are called upon not only to continue the work of the Church, but to enlarge and increase it – to lay new foundations broader and deeper – to plant seed for larger growth, that the tree’s branches may spread out, that you and your children may sit beneath its shade and partake of its refreshing fruit.

John Cardinal McCloskey
